Master in Development JAVA (J2SE)
Equivalent to certification **OCA** (Oracle Official). With degree.

2008.09 - 2012.06	**University of International Studies of Shanghai**	**Shanghai, China**

Bachelor of Spanish Philology
GPA 3.43/4.00. Constant winner of academic scholarships.

Professional experience

2016.6 - present **Programmer Java SWING and Cryptography, Mensoft Consultores S. L. & Indra, in TGSS**
The client is the General Treasury of Social Security. The objective is the evolutionary development of a desktop application by Java SWING, which is used daily by all the companies within Spanish territory. I work to:
- Functional and Visual evolutionary development of the application in question;
- Adaptation for multi-platform use (Windows, Linux). I implemented the SSL connection and user authentication part (especially with smart cards via PKCS#11 modules) for Linux, introducing NSS (Network Security Services) into our application;
- Incidents analysis and solving. Involved in the solutions of three mayor incidents reported by important users.

2015.04 - 2016.03 **Grupo Exceltia, intern as programmer Java EE, Tres Cantos, Madrid**
- Analysis, development, testing and maintenance of several Java EE web page applications. Carried out 4 projects.
- Backend (Model and Controller part in the Spring MVC model). Have implemented independently 32% coding of all the projects I have participated in.

Mastered these mainstream technologies: JPA, Hibernate 4, Struts 2, Spring 3 with Spring MVC y Security, HTML/HTML 5, Javascript, jQuery, Angular JS, etc.

Technology and skills

Back End / Java EE	Architecture Java EE · JPA · Hibernate 4 · Struts 2 · Spring 3 · EJB · SWING · Java cryptography
Front End	HTML 4/5 · JSP · Javascript · jQuery · Angular JS · Bootstrap 3 · Ajax · CSS
Server	Apache Tomcat (5, 6, 7, 8) · Weblogic
Database	Oracle 11g · SQL Server · MySQL · Derby
OS	Windows · Linux (Ubuntu, RHEL and CentOS)
Other	Eclipse · XML · SQL · Maven · CVS · Git · certificates · NSS · Smart Card (PKCS#11)
Languages	**Chinese** (native)
	English (advanced)
	Spanish (advanced)
